**Class Size: 35**

**Instructor: Tim Moomaw, WSDOT North Central Region Trainer**

---

### Target Audience

For project inspectors and field engineers who are or will be engaged in the inspection, acceptance and documentation of Hot Mix Asphalt (HMA) and Superpave placement.

### Course Description

- Provides an overview of equipment used in placing HMA and Superpave
- Identifies the duties of an inspector prior to paving
- Covers the key areas of inspection during placement
- Covers safety procedures for working around a paving operation
- Identifies post production duties

You will be given a comprehensive course manual containing outlines of the duties of an inspector and references to critical specifications and testing procedures.

### Course Objectives

Upon completion of the course you will be able to:

- Implement proper asphalt paving inspection techniques
- Complete required documentation
- Identify lines of communication
- Demonstrate an understanding of safety requirements
- Read paving plans

**Washington State  
Department of Transportation**

**Questions?** Laurel Gray at (360) 705-7355 or [GrayL@wsdot.wa.gov](mailto:GrayL@wsdot.wa.gov).

**Please Note:** This is a WSDOT employee training course and is offered for free to local agency participants every spring. Seats in the spring WSDOT classes are very limited, generally three to five seats per class. Therefore, the WST2 Center has contracted with WSDOT to offer two sessions exclusively to local agencies. Classes are open to all WST2 customers: cities, counties, tribes, ports, transit agencies, consultants, contractors, and other state agencies and municipalities. Because WST2 will incur costs on this training, there will be a \$50 fee. If you would prefer to attend a free training session, you can wait until spring 2006 for a possible opening in WSDOT classes.

## Registration

Please register on-line using this link: [On-line Registration Form](#). Fill in the requested information\*, select your class from the list, then press "Submit." You will receive an e-mail notification with driving directions to the training site when we process your request. If you do not receive this e-mail notification within a day or two, you may not be registered and should contact us by phone.

**Please do not prepay, an invoice will be sent after the class.** Confirmation letters are mailed three weeks before the class. If you are unable to attend, someone else from your agency may attend in your place. To cancel your registration, or for assistance with registration, e-mail [wst2center@wsdot.wa.gov](mailto:wst2center@wsdot.wa.gov) or [schmidw@wsdot.wa.gov](mailto:schmidw@wsdot.wa.gov) or phone (360) 705-7386.

\* A "unique identifier" for each student is required when registering on-line. It may contain 3 to 8 alpha and/or numeric characters. You might use the last four digits of your phone number, a pet's name, your last name, birthdate, etc. but please make it something you will remember. Our computer will match your last name with your identifier to automatically and quickly register you into a class (providing there is space available).

(Disability accommodations provided upon request.)
